The Promiseland Fund

Partnership is everything and this partnership will allow us to make things happen on a number of levels. By being a Promiseland partner you'll help us do the following:

- **Assist us to launch and sustain a 9:00am Worship Service**

We're doing a great job at reaching unchurched people unfortunately most live far below the poverty level and cannot contribute financially right away. Many need help with life skills before entry or re-entry back into the community on the road to becoming productive citizens.

- **Market the Church through various media outlets**

We will be working with a professional media company to assist us in choosing the best outlets to maximize exposure to our ministry via television, radio, billboards, e-marketing and direct mail.

- **Host outdoor revivals in communities outside of our own**

We're ready to move in apostolic power across this city by bringing a fresh Word, administrative training and miracles, signs & wonders to those who need them.

Be our Partner by making a commitment at one of the giving levels mentioned on the back of this brochure. If you desire to give on a one time basis please know your gift will always be greatly appreciated

“ You are a miracle for somebody, that's why you've been blessed to be a blessing”

Partnership has its privileges:
